SCHOLARSHIP FOR ADVANCED POST GRADUATE PROGRAM IN CLINICAL RESEARCH

New Delhi, India, Monday, Feb 2, 2009- Cliniminds www.cliniminds.com today announced the scholarship program for the students who would be taking the admission in the Advanced Post Graduate Program in Clinical Research - classroom batch starting March 1, 2009.

Under the scholarship program deserving students would be offered '**Special Fee Concession**', books and periodicals and training at some of contract research organisations. Students who would complete the program would be offered placements at the reputed contract research organisations and pharmaceutical companies. Students are also being offered educational loans at the concessional rates from HDFC Bank. "These scholarship programs are being offered to nurture the talent at an early stage, so that these professionals could be absorbed in these organisations immediately upon completion of the programs" said Dr. Sood, Medical Director, Cliniminds.

Cliniminds - www.cliniminds.com is a well-established clinical research training and management institution. All programs offered are accredited and certified by the Pharmaceutical Society of India. Upon completion Cliniminds and the Pharmaceutical Society of India do certification jointly.

Students of Cliniminds have been offered excellent placements with the leading companies like LG Life sciences, CliniRx, Ranbaxy, Neeman Medical International, Apollo Hospital, Nexus Clinical Research and other leading organisations. Cliniminds offers wide range of clinical research programs through classroom, online medium and distance learning. Cliniminds also offers wide range of workshops on clinical research issues, viz. ICH GCP Workshop on Clinical Research; Workshop on Quality Assurance in Clinical Research; Workshop on Bio Equivalence & Bio Availability Studies; Workshop on Pharmacovigilance and number of other topics.
