

“At Cliniminds We Enlighten Your Career Growth Path”

Cliniminds has provided unmatched placement assistance to over 5000 students till date in Indian and Multinational CROs, KPOs, IT companies and Pharmaceutical companies

Cliniminds has always assisted its students to get best placements in various domains of Clinical research, Pharmacovigilance and life sciences fields and our students are testimony of our claim to be the best health science training and management institute.

We at Cliniminds actively reach out to the corporate world for facilitating the best placements for Cliniminds Students. Cliniminds has a full-fledged Department of Placements which has a dedicated, experienced and professionally qualified team.

This department has a well-designed “Placement Plan” for achieving best placement objective. We work closely with our students and companies. Before bringing students and the companies face to face, the students are provided a number of services to groom them for enhancing employability. The major highlights of these services are

- Career Counselling Services
- Resume/CV Writing Skills
- Job Search Tips
- Interview Process and Strategies
- Aptitude Development
- Group Discussion Competence
- Communication and Presentation Skill Development
- Personality Development Techniques
- HR and Technical Questions Preparations
- Mock Interviews Sessions

Cliniminds has strong connect with the industry, we continuously monitor changing trends and conditions in the Indian job market. Students are provided a valuable platform for directly interacting with the industry by way of Guest Lectures, and Workshops. All this ensures the best placements for our Students.

We are sharing a few of our success stories of students who completed the program successfully and were placed by us:

1. Mr. Antony Joseph Albert M.S in Pharmaceutical Analysis, joined our Drug Regulatory program and during mid of the session he got placed with a leading Pharma company. Antony come with very strong experience in UK, he was working with a leading Multi-National Pharma Company in United Kingdom, Since Dec 2010 to July 2012.
2. Dr. Chadra Shekhar M.B.BS. DNB, enrolled in our Clinical Research and Pharmacovigilance Program. He had clinical experience of 8 years and recently got placed in “Sciformix” Pune at package of 13 lakhs.
